ELLA MAAYAN

HEBREW ACADEMY

Ella Maayan is an exceptional Hebrew teacher with a diverse range of qualifications and experiences that make her highly proficient in her field. With a BA in architecture and interior design from Liverpool University, Ella's educational background demonstrates her strong analytical and problem-solving skills, which undoubtedly translate into her teaching methods. Additionally, her completion of the finals in Israel to obtain an Israeli Architecture license showcases her determination and dedication to achieving professional goals.

Furthermore, Ella's diploma in teaching and education from the Hildesheimer Seminar in *Petach-Tikva* reinforces her expertise in pedagogy and instructional strategies. This qualification equips her with the necessary tools to effectively convey Hebrew language concepts and foster a conducive learning environment for her students. Moreover, Ella's master's degree in psychology and management from the Open University of Israel demonstrates her commitment to continuous learning and personal development, enabling her to understand the psychological aspects of language acquisition and employ effective management techniques in her teaching practice.

Beyond her academic achievements, Ella's firsthand experience of living and working in Israel for several years provides her with a deep understanding of Hebrew language, culture, and societal nuances. This practical immersion enriches her teaching approach, allowing her to impart not only language skills but also a broader cultural context to her students. Ella's combination of qualifications, teaching expertise, and cultural immersion make her an exceptional Hebrew teacher who can effectively guide and inspire students on their language learning journey.
